Greetings!

We are the **Combat Veterans Association** (CVMA), **Chapter 22-4**, and would like to just take a moment of your time to introduce ourselves and ask for your help in our mission to aid local veterans.

CVMA's mission is pure and simple... We are **Veterans Helping Veterans**. We endeavor to support to our fellow veterans, their families and all military still serving. We pride ourselves on being men and women, who have stepped up for our nation and served in combat without hesitation. Everything we do is in sincere appreciation of those who have served and all who support our nation's armed forces.

From the "ORIGINAL 14" members of Chapter 22-1, near the Lewsiburg area, our CVMA 22-4 was chartered in central Pennsylvania in May 2010. Now, we cover over 7 counties in central Pennsylvania and continue to grow to help our fellow veterans. Some of our activities include:

- **Volunteering at James E. Van Zandt VAMC and the VA Home in Hollidaysburg.**
- **Aiding in construction of handicap access for wounded vets' homes.**
- **Donating funds for disabled veterans' medical expenses.**
- **Providing donations of clothing and funds for homeless veteran's shelters of our region.**

We have an upcoming event to aid in our mission. The **Combat Veterans Association's 1st Annual Central PA Veterans Ride** will take an escorted 100 mile ride through scenic Central Pennsylvania on **August 26, 2017**. During this ride and at the after-ride party, we will be raffling off door prizes, baskets and so much more! All proceeds will go towards our mission to help local veterans, their families and those still serving.

Please consider giving a donation of an item, a service, valuable coupon, or the like for the basket raffles? These valuable donations will help raise money for our cause and are greatly appreciated. Become one of our valued donors and contact **Chad Williams**, Executive Officer of CVMA 22-4, by phone at **(814) 502-1760** or Email: **Chad16122@yahoo.com**, before **July 31, 2017**.

Because of generous people like yourself, we are able to help those who have protected and defended our nation, our families and our way of life, without ever knowing your names... Please accept our sincerest appreciation for all you do to aid us in our never-ending mission. Thank you!

Sincerely,
Combat Veterans Association
