Our Mission in the CVMA is pure and simple "Veterans Helping Veterans"

We are not a club, we do not function like a club or pretend to be a club. All that we want to accomplish is to assemble peacefully, ride our motorcycles and continue to support our fellow veterans, their families and support the ones still serving. We pride ourselves on being a select few men and women who have stepped up for their nation and served in combat, WITHOUT HESITATION. We bother no one and would like that in return. Thank you to all who have served and those who support our nations armed forces. Welcome home!

OUR HISTORY

The "ORIGINAL 14" were originally with chapter 22-1 chartered near the Lewisburg area and worked diligently to grow our chapter, and do great things in our own community to help and assist VETERANS.

We continue to grow and help our fellow veterans. Some of our activities include: Volunteering at the VA Homes in our areas; assisting in constructing handicap access for wounded vets homes; donating money to help disabled veterans medical expenses; providing donations of men's clothing and money for the Homeless Veteran shelter's in our regions.

We shall continue our on-going message...

"VETS HELPING VETS"
